

## V01 Basket Making

### 1. Final Task Assignment

- Module n°1: Technical part. This module consists in crafting a basket of a specific shape to be revealed to contestants on the day of the competition with a drawing including dimensions. In order to complete the task, contestants must use the provided material (white wicker) and weaving techniques which must include:

-A round crossed base

-A four-strips "cord"

-A spiral twining

-A base lining with 3 strands

-A rim (four-under-two strands)

- Module n°2: Creative part. This module consists in creating an object to be used as a support or display stand for the basket crafted in module n°1. Contestants are free to design this object as they please; it must visually enhance the basket produced in module n°1. The final product will be woven with at least 50% of provided wicker (white and brown), the rest of it can be produced using other materials (weavable or not) brought by the contestants.

## 2. Allocated time: 6H00

6 hours of competition. Contestants will decide how much time they want to allocate to each module.

## 3. Requirements

- Contestants will use the required techniques and respect of the shape and size specified in module n°1.
- Contestants will pay a particular attention to the regularity of the weaving.
- Contestants are not allowed to lend or borrow any materials or tools for the duration of the competition.

## 4. Procedure

**Day -1 (March 24<sup>th</sup>):** On the day before the competition, contestants will be welcomed on the contest stand by members of the jury. The jury will draw lots in order to assign a work station to each contestant.

**Day 1 (March 25<sup>th</sup>):** In the morning, contestants may test the provided wicker. In the afternoon, they will have 3 hours and 30 minutes to work on the task.

**Day 2 (March 26<sup>th</sup>):** Contestants will have 2 hours and 30 minutes to complete the task.
