

V12 Waste Reuse

1. Final Task Assignment

The task consists in producing a display stand using mainly corks. Contestants must shape and assemble the provided corks as well as any domestic waste they might have brought with them as materials.

The stand is to be used as an enhancement for two complementary objects displayed in a store front: a bottle of Bordeaux wine and a wine glass.

2. Allocated time: 6h00

6 hours of competition.

3. Requirements

- The corks should represent at least 50% of the volume of the waste materials used in the production of the final object. Contestants are allowed to bring other reusable

domestic waste materials (limit of 50% of the final volume of the production) as well as other personal hand tools. These materials cannot be shaped or elaborated before the day of the contest.

- Contestants should use all of the allocated time for the completion of the task.
- Contestants must respect the jury's instructions and the safety rules.

4. Procedure

Day -1 (March 24th): On the day before the competition, contestants will be welcomed on the contest stand by members of the jury. A briefing about the organization of the competition and the safety rules will be arranged.

Day 1 (March 25th): Contestants will be handed the final task assignment. They will have 3 hours and 30 minutes to work on the task.

Day 2 (March 26th): Contestants will have 2 hours and 30 minutes to complete the task.
