

Tailleur

Summary of the contest:

Producing a man's outfit and tailor made models using the provided fabric and according to given instructions.

Running of the contest:

The duration of the contest will be maximum 6 hours. It consists in making a tailor made man's outfit with respect of the guidelines. Contestants must respect the given patterns furnished for the cut out process and they should be able to make the entire production process (collar attachment to upper garment and sleeves attachment, pants, jackets, t-shirts, etc...)

Main skills required:

Be able to:

- ✓ Determine measurements, dimensions
- ✓ Realise a pattern with respect of the dimensions
- ✓ Cut out the fabric according to the pattern
- ✓ Assemble the different pieces through stitching
- ✓ Adjust the outfit
- ✓ Sew the whole garment
- ✓ Make the finishing (collar, sleeves, pockets, topstitchings, linings...)

Rating criteria:

- ✓ Quality of cuts
- ✓ Precision and quality of sleeves, collar and pocket attachment
- ✓ Quality of sewing stitches
- ✓ Resistance and finishing of the whole garment
- ✓ Precision and respect of the dimensions
- ✓ Sewing process management.
